## Create 'that' finished design touch, with soft floating panels that drift aside with the glide of a wand.

Get style and functionality, with Panel Glides. Integration is as soft and smooth as the morning breeze it lets through. Life indoors and outdoors will be harmonious, with the glide of a wand. It's open-plan living taken to the next level.

Match your panels to your home. Love minimalist design? Choose a clean style. Prefer an energetic look? Go the Jamaican panel glide or Roman style for charming warmth. Let your new panels 'speak' to your guests.

- REDECORATING'S EASY WITH REMOVABLE PANELS**
- THREE STYLES, ENDLESS FABRICS**
- MAKE YOUR ROOM'S FEATURES POP**
- GLIDE THE WAND ACROSS TO OPEN OR CLOSE BLIND**
- SINGLE PANELS, EASY TO REPLACE**
- VERTICAL LINES & SLEEK DESIGN HEIGHTENS ANY ROOM**

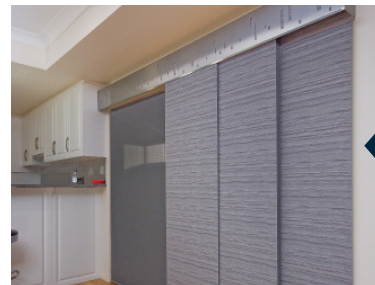

### **HIDDEN TRACK**

Our panel glides come standard with a linear valance pelmet to cover the track in a complimentary colour. For a custom look, upgrade to a fabric insert.

### **COHESIVE LOOK WITH WINDOWS**

Pair with rollers, Roman or Jamaican blinds for a consistent look. A consistent fabric (and optional aligned battens) ensures a flawless finish.

### **STACKING OPTIONS**

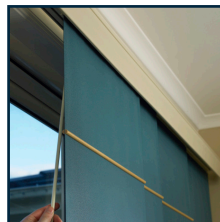

Configure your panel glide to stack on one side or open from the centre. Whatever works for you, we'll custom make it accordingly.

**PLAIN PANEL  
GLIDE**

**ROMAN PANEL  
GLIDE**

**JAMAICAN PANEL  
GLIDE**

### **UNINTERRUPTED VIEWS**

Got a view you love waking up to and can't bear to block out? Keep that view in full sight with a ghost track. Your blind stacks back off of the glass.
