## CORAL BAY BY UNILINE

## Filtered Ambience for your Windows

Add a little dappled beauty to any room with the serene, whimsical look of Coral Bay. Featuring a colour palette of soft, light natural tones, Coral Bay fabrics lighten up even the darkest rooms whilst adding diffused-light ambience to bright, sunny areas.

As with all of Uniline's exceptional window furnishing fabrics, Coral Bay is durable, functional and beautiful and will retain its lovely soft colour regardless of how much sun it receives.

## Manufactured to Exceptional Standards

Made of 100% commercial standard polyester, Coral Bay is acrylic coated for extra durability. Offering an excellent UV factor of 50+ it has superb light diffusing properties, making it ideal for even the sunniest windows. It comes in a 160 GSM weight, a 2400mm width and with an ISO colour rating of 76-7 using the Xenon Arc Method 6, colour correctness and fastness is guaranteed for two years.

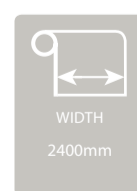

## Colours Available

Contact us today and discover why Uniline is a market leader in the supply and manufacture of systems, components and fabrics to the window furnishings industry.
