## ECO DAWN™ BY UNILINE

## The Natural Choice for your Windows

We're all responsible for preserving the environment and as one of Australia's largest manufacturers of window furnishing fabrics and venetians, Uniline takes this responsibility seriously.

Introducing our new Eco Dawn range which represents the latest in eco-friendly technology. Designed to benefit your health and that of the environment. Using coatings containing very low VOC's (volatile organic compounds), Eco Dawn generates very low emissions other than harmless water vapour during the manufacturing process and also uses less energy than traditional manufacturing methods. Like all other ranges in our huge Dawn offering, Eco Dawn is proudly Australian made and comes backed by our 10 year industry-leading guarantee.

## Great for your Home and Great for the Office Too!

Our new Eco Dawn range will not only look great in your home, its also a perfect choice for the office after obtaining its Green Building Council of Australia compliance certificate relating to low VOC emissions for office interiors.

## Colours Available

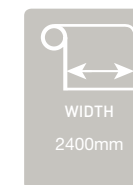

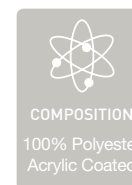

Contact us today and discover why Uniline is a market leader in the supply and manufacture of systems, components and fabrics to the window furnishings industry.
